He's my Brother Too

~He's my Brother too~

I have an older brother

We've been together for so long

And though we may not show it

Our bond is really strong

But lately he's been worried

And getting really scared

So now we've seen the side of him

The part of him that cared

He is our fearless leader

Though I know that he's afraid

But because of who he is to us

his true feelings are delayed

I know how much he worries

For every one of us

So when it comes right down to it
He's the one I'll always trust
Cause no matter what he does
Cause we all have made mistakes
We all should know that in the end
He has just what it takes
He'll always be there to protect me
He'll be there for us all
He's been there in so many ways
Through everything we saw
So heres what I want you to know
After all that we've been through
He's not only our fearless leader
He's my caring brother too.
